DEMONSTRATION

Of Drying and Canning of Fruits and Vegetables to Be Given By Emergency Agent in This City and at Maysville Next Week.

The following letter received by Mr. Harry C. Curran is self-explanatory: Lexington, Ky., July 26, 1917. Mr. Harry C. Curran, Maysville, Ky. My dear Mr. Curran.

Your letter of the 20th addressed to Kentucky State University, and Dr. Mutchler's reply to same have been referred to me.

I am very glad to inform you that on July 1st, our Department increased its corps of workers by placing ten women throughout the State as Emergency Home Demonstration Agents; their particular line of work being to give demonstrations in the drying and canning of vegetables and fruits, in such counties as do not have a resident County Home Demonstration Agent. One of these agents, Miss Lullie Logan, will visit Mason county next Monday and Tuesday for this purpose. I, therefore ask you to arrange two meetings at which she may give demonstrations in drying fruits and vegetables and making of a home made dryer. Will you please designate the meeting place and the hour of meeting, and advertise same throughout the county? If the interest in your county justifies, Miss Logan will organize Home Demonstration Clubs, and return at intervals for two or three demonstrations in canning. A copy of our bulletins on our canning and drying will be given to each enrolled member. Enclosed find copies of these publications, in order that you may better understand the plan upon which we are conducting Extension Home Economics, to meet the present food conservation emergency. Miss Logan will reach Maysville on Monday morning, and will confer with you upon arrival.

Thanking you for your interest and assistance. Very sincerely yours, HELEN B. WOLFOOTT. State Home Demonstration Agent. The County Precinct Committee will please take notice and attend the demonstration Monday at 3 p. m. High School Building. Miss Logan will go to Maysville for a demonstration Tuesday at 2 p. m. Mr. Sanford Roff, Precinct Chairman, will have charge. HARRY C. CURRAN, Chairman National Defense League, Mason County, Ky.

GLORY WON BY GIRL FIGHTERS

Russian Amazons Make Big Drive and Capture 102 Prisoners, Two of Whom Were Officers.

Petrograd, July 27—Charging fearlessly over a shell-torn field when their men comrades had deserted, Russia's women fighters in their first battle took 102 prisoners—two of them officers. Despatches from the Dvinsk front today added to the glory of the women's "Legion of Death." They gave an additional casualty list of a dozen wounded, including Mme. Hochkarlova, commander of the battalion.

Are Sent to Hospital

The second in command, Mile. Skryblov, was suffering from severe shell shock. All were sent to Minsk for temporary treatment and will later be brought back to Petrograd.

The girls "went over the top" in the charge with fierce impetuosity, cheering as they hurried forward to meet the enemy, and utterly without fear.

Their example shamed unstable troops nearby, who had started deserting, and it was, undoubtedly, the heroism of the women soldiers that turned the tide of battle in favor of the Russians.

Prisoners Are Chagrined

The prisoners captured by the girls expressed the utmost astonishment and chagrin when they learned the sex of those who had so fiercely attacked their position.

A hundred thousand citizens and soldiers at Pottava assembled with bands and flags to give frenzied greeting to several of the wounded women who passed through there from the front today.

Everywhere along the route of the hospital train crowds choked railway stations to watch the "Legion of Death" fighters and to applaud their heroic work at the front.

DR. MCCORMACK HERE YESTERDAY

Dr. A. T. McCormack of Bowling Green, secretary of the State Board of Health, was a visitor in the city yesterday en route to Washington City. Dr. McCormack was delighted with the work being done by the Sanitary Survey Corps and said that Mason county was going to set the example for other counties throughout the United States to follow. He expects to return in a short time and will remain for several days.

TO WORK ON ROCK PILE

Two Negro Girls Got Stiff Sentences in Police Court Yesterday—Judge Whitaker Decides to Get Rid of Nuisances.

Mamie Carr, colored, better known as "Topsy", and Lucille Lovell, colored, were tried in Police Court yesterday afternoon on charge of loitering and were fined \$10.50, the fine to be worked out on a rock pile on the city's lot on East Second street.

These two negro girls, and the first mentioned especially, have been causing quite a bit of comment lately when they appeared on the streets in scant attire and made remarks to people in passing along the streets. Seeing that assessing a fine did no good Police Judge Whitaker decided that the only course to take in order to make the girls behave was to make them indulge in hard manual labor.

In passing sentence the judge warned the girls that the next time they appeared before him they would get double the dose and if they continued to misbehave they would keep increasing their sentences and finally send them to the penitentiary under the habitual criminal act. Maysville has no need, for such stock as these and the sooner we are rid of them the better off we will be.

CANNING DEMONSTRATION

Miss Giesel's canning demonstration referred to in yesterday's papers will include three successive demonstrations given Monday, Tuesday and Wednesday of next week. The process used will require three days for completion.

This intermittent process preserves the original flavor and color of the products much better than any other yet discovered.

After Miss Giesel has started her process, one of the State demonstrators will give the visiting ladies some interesting and valuable information along the line of drying fruits and vegetables.

Nothing will be required in the way of fruits and vegetables from the visitors, as that will be supplied by the demonstrator.

Several have spoken about coming and we are anticipating a number of interested women. Come out and let us see what these experts have for us.

ENGLAND IN GLOOM: U. S. SPEEDS UP

Washington, July 27—On the eve of the third anniversary of Austria's war declaration against Serbia, which started the war conflagration, the United States rushed its war measures today to overcome pessimism in allied capitals. Secretary Daniels announced the Navy Department is "building more destroyers than we ever dreamed we could build."

Many other ships are being put into service. Secretary Redfield announced the Vaterland, gigantic German vessel seized at the opening of the war, is now ready.

Twenty-six other German vessels have been repaired and pressed into service against the Kaiser. It was learned.

The shipping board, reorganized under Chairman Hurley, took under advisement contracts for scores of wooden and steel cargo ships.

Food bill conferees hinted that they might be ready to report to the House and Senate Monday.

Men drafted into the United States army will be given a searching examination for tuberculosis. Dr. Hizer, Secretary for the State Tuberculosis Commission, has selected ten physicians in each county in the States to assist in the examination of the men.

KINDNESS IS OUR MIDDLE NAME

Editor of The Ledger. Dear Sir: Yours is the most obliging small city I have ever been in. The clerk at the New Central, though we were not stopping there, telephoned several places to locate the person whom my friend and I were hunting. Some one at your office took the same amount of trouble and the pleasant clerk in Williams' Drug Store said "No charge," for the use of the phone and told us to come back again for another chat. The only thing that marred our day was a small boy telling us that the policeman arrested people who bathed in the river without clothes but we really didn't believe that. Are all your people so obliging? We believe so. Yours very truly, EDMUND KERPER, Cincinnati, Ohio.

THE DAILY PUBLIC LEDGER

EDITOR AND MANAGER CLARENCE HARRIS

Local and Long Distance Telephone No. 40. Office—Public Ledger Building.

EXEMPTION FOR BUREAU CLERKS

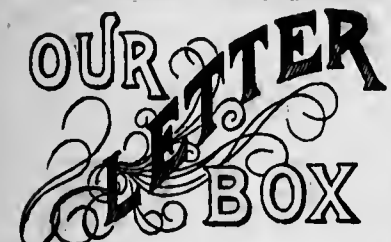

The statement that none of the 40,000 clerks in the government departments at Washington will be required to do military duty is not received by the public with the rapture that its maker, Secretary Redfield, looked for. Indeed, it is doubtful if the Secretary of Commerce would have made it at this time if he could have known how little satisfaction it gives outside the national capital. The public does not agree with Mr. Redfield that the strong and sturdy young men who hold bureau clerkships are doing as much for the nation by continuing at their desks as are the other young men of similar physical condition who give up their jobs and serve their country in the trenches.

If the work that the latter have been doing can be as well performed by women or old men, we can readily imagine that the easy routine of the department clerks in Washington is not beyond the ability of our clever girls and the men who are too old for military service. While Secretary Redfield—himself a part of the government machinery—may fail to see any difference between the "bit" done by the well-paid and comfortably situated clerk in Washington and the "bit" performed for soldier's pay at the front by the young patriot, the rest of us are able to note a very surprising distinction.

Probably Secretary Redfield may be induced to change his mind. Just as we are actively entering on the war, in which every one of us must do his full share in the service of the nation, the administration should avoid the blunder of making it appear that there is among us a privileged class whose members are to enjoy immunities denied to others.—Portland (Ore.) Spectator.

The fair at Winchester, Ohio, drew quite a number of our citizens July 19, 20 and 21, despite the local showers.

Mr. H. Foster has gone to Warren county to assist his son in threshing his fine crop of wheat.

Wheat is weighing out in quite a satisfactory manner in this vicinity and corn, oats and garden truck never looked more promising. The outlook for fruit however is not so bright, apples, peaches and blackberries being almost a total failure.

Mrs. Mary Pell and her father, John Butcher, spent some time with relatives and friends here last week.

Mrs. Sarah Smith, who has been visiting her niece, Miss Louise Tully, of Cottageville, Ky., arrived home Wednesday.

G. W. Hook and family went over to Pike county Sunday afternoon, returning that night.

The epidemic of mumps seems to be subsiding. What next?

On Sunday afternoon Judge Nichols of the Supreme Court of Ohio, gave an interesting lecture explaining the work of the Red Cross. He spoke of the work of the Red Cross.

Mrs. G. W. Hook, whose flock of Barred Rock chickens, took second prize in Maysville, Ky., Agricultural Fair last year has certainly lost none of her skill, as she reports that her flock of hens have kept up a 100 percent egg record in July which is usually considered a slack month. Cracked corn and buttermilk are the principal feeds used.

In Presbyterian Church and was introduced by Mr. Shumacher with appropriate remarks.

CONSCRIPTS WHO SAIL INTO WEDLOCK BEFORE BEING CALLED FOR EXAMINATION MAY BE EXEMPTED, IF WIVES ARE DEPENDENT ON THEM

Trenton, N. J., July 26—According to the interpretation placed by the military authorities here on a letter just received from Provost Marshal General Crowder in reply to inquiries, drafted men who have married or shall marry before they are called for examination will not have to serve in the conscript army. If their brides are dependent upon them.

The impression heretofore has prevailed that registered young men who married after June 5 did so only to be in a position to claim exemption, and that their marriages would be regarded as an attempt to evade the selective service act and would not be recognized as a bona fide claim.

The following paragraph of the Provost Marshal General's letter, military authorities here say, seems to establish a reverse ruling.

"In reference to marriage after June 5, 1917, it would seem in like manner that the claim of discharge because of dependency should be determined at the date of calling. If the person then called is then a married man, and has a wife at that time depending upon his labor in the sense in which that term is used in the rules and regulations, it would seem that he could be discharged from the service if, in the opinion of the board, the claim is substantiated."

PORTUNES IN BIBLES

(Tit Bits)

It has happened not infrequently that eccentric wealthy people have concealed sums of money in the family bible, where it has been discovered by chance long after their decease. Such an incident recently occurred in Paris. A young French polli returned home from the front to find his father had just died. He had left him nothing in his will, only the family bible. Closer inspection revealed between its pages securities to the value of £15,000!

A few years ago a young nobleman who was influential difficulties had occasion to refer to the family bible for a date there recorded. In so doing he came across a number of blank of England notes, amounting collectively to a considerable sum, which more than met his liabilities. Then he recalled his mother's dying words that "Help might be found in the bible when all other sources failed." But he had paid small heed to the injunction, and certainly never dreamed of so practical a fulfillment of her words.

A student purchased an interesting old bible at a secondhand bookseller's some years ago for a few shillings. On taking it home he was delighted to discover banknotes to the value of £1,000 folded between the sacred pages.

Another ancient bible was found to contain notes to the extent of £700. This was owned by a prodigal son, who lived many years unconscious of the wealth in his possession.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. . . Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then . . . it would last . . . two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three . . . I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. . . Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be destroyed forever. THAT BACKACHE SPELLS DANGER!

Action Today May Save Maysville People Future Misery.

A bad back isn't a bad thing if it serves as warning of hidden kidney disorders. Kidney diseases are frightfully common today. We over-do so much. We don't give the kidneys a chance to rest up, and while a bad back, some bladder disorder, an occasional dizzy spell or a persistent headache may be the only outward sign, the kidney trouble that is behind it all may be overlooked or neglected. Put your signs to use. Take them as warnings. Fight off kidney weakness. It takes only a slight kidney disorder to start a case of fatal Bright's disease, from which 100,000 people die in the United States every year. Prompt treatment at first—that's all that's necessary to keep kidney weakness from turning into gravel, dropsy, gout, near trouble or Bright's. Use Doan's Kidney Pills—the oldest, the most widely used, the best recommended kidney pills. Forty thousand Americans recommend them publicly. Here's one Maysville case:

Mrs. John Burns, W. Second St., Maysville, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe attacks since." (Statement given February 13, 1914.) NO TROUBLE SINCE.

On November 15, 1916, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today, as ever, I have not needed a kidney medicine since I took them." Mrs. Burns is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Burns has twice publicly recommended—the remedy backed by home testimony. LONGEST NAME IN DRAFT
(New York Herald)
Speaking of exemption, here is a man with a wonderful chance. He is G. Allesseuljusseppus, and his number is 2648 in the draft. He is in the Seventh Assembly District and must appear before Exemption Board No. 108. His is the longest name recorded in the city, as far as can be learned. If Mr. Allesseuljusseppus does not claim exemption, and some day through gallantry in action is commissioned, the official report will call forth the best Spenserian effort of some commanding officer. If he is not commissioned his "hunkles" will have any number of letters from which to concoct a nickname for Mr. Allesseuljusseppus.

ROOSEVELT TO SERVE
A British Port, July 26—Mr. and Mrs. Kermit Roosevelt have arrived here. They were met by Joseph E. Willard, American Ambassador to Spain, and Mrs. Willard, the parents of Mrs. Roosevelt.

Kermit Roosevelt, who was in training at the Plattsburg camp for reserve officers, left there July 9, having accepted an offer to serve in the British army on the staff of General Maude, commander of the Mesopotamia forces.

Berlin Will Be Entered From Air
Washington, July 26—Berlin will be entered by the air route and the United States is stacking up its resources behind the Allies to furnish enough machines to make the conquest possible. This was the declaration Wednesday of Brigadier General George O. Squier, commander of the Signal Corps.

"I am not here to make public our plans or to indulge in prophetic figures," said General Squier. "The closest estimate I can give about our aeroplane plans is about this: This determination of the Allied governments is to enter Germany by the air route, and the United States government is going to provide enough machines to make itself felt in putting this program through."

THE UNIVERSAL CAR
Price Advance
Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. It is my opinion that all orders will be filled at present prices if orders are placed at once, but you should not delay the matter a single day. Place your order today and play "safety first."

INFLUX OF CAMPERS

SGH Moving In at Ruggles Campgrounds—Mountain Tennis Player Puts One Over on City Guys—Other Interesting Items.

Ruggles Campgrounds, July 26—Although the camp appeared to be well filled up last night, there has been a steady inflow of campers all day today. Most of them from near by towns and villages. One could look out any time and see several wagons backed up to cottages unloading. It is usually hard to get people out to church services the first day. They are so busy fixing up. There was, however, a very good attendance at the day services and a fine audience at the evening service. Rev. J. F. Ruggles of East Maysville gave the opening sermon, a sermon calculated to pave the way for the real evangelistic work that is desired. Another of our young preachers, Rev. L. C. Godbey, gave the address to the young people. He gave a very good sermon on how to be truly happy. The evening sermon was from Rev. O. G. Ragan, the singer-evangelist who is here specially to direct the music, but is somewhat of an evangelist as well. He has just finished a four-weeks' revival in Columbus, Ohio, where over four hundred persons were converted. Rev. Ragan has a strong baritone voice, is a good chorus leader, and knows how to get everybody to sing, a thing very essential to the success of any evangelistic effort. Tomorrow he will fully organize the singers and musicians for a great work along that line. Those who attend the services can expect good soul-stirring music. Rev. Trent at the piano, and Howell Richardson and J. F. Ruggles with their cornets will help make the music go.

Mrs. M. P. Gordon and nieces, Misses Frances and Kate Clary of Mt. Carmel moved in today. Misses Marie Duzan and Elizabeth Calvert of Maysville arrived today and are camping with Miss Anna King. A fine report comes from the children's service being conducted by Miss Wilson. A good attendance, and all heartily pleasant with Miss Wilson's method of work. This usually is one of the best services of the camp and great results are expected this year with such an expert as Miss Wilson in charge. It will be to the interest of parents in the surrounding country to send their children into the camp for these services. As there is no gate fees during week days and none at any time for children under ten there should be a large attendance from this community.

Rev. and Mrs. W. G. Bradford and son of Augusta arrived today to remain through the meetings. Mrs. Williams and daughters, Alma,

Today About Your FIRE INSURANCE
Do not wait until after the house is burned down to think of taking out a fire policy. The cost of FIRE INSURANCE is small and your family deserves protection against the loss of the home which has taken so much hard work to get. Act NOW and there will be no regrets.

Lucetta and Freda of Ewing, arrived today and are camping with Rev. J. F. Ruggles and family in Cottage No. 1, tabernacle square.

Mr. J. Luther Markwell and family of Goxport are among the campers this year. Harry Markwell, one of our old-time favorite campmeeting boys, always a favorite with the girls, is also putting in time in camp.

Several of our fancy city tennis experts who thought they just couldn't be beat were laid in the shade this afternoon, and that too by a little mountain preacher who pretended he had never seen a tennis game before. Godbey is his name and they do say that some of the "stunts" that he pulled off were sufficient to astonish the natives. The "city guys" will not bet any money on themselves any more when a pretended "greener" undertakes to play with them.

Rev. William Jones of Ludlow, Ky., he of Sunday School fame, is one of our late comers. Brother Jones will be heard from as usual at the early prayer services.

Mr. and Mrs. W. N. Cabler of Bernard came in this afternoon to spend the camping season with us.

Mr. and Mrs. A. H. Freye and daughter, Miss Kate, of Greenup, came in late this afternoon having made the trip in their touring car. They will be guests at the Litteral cottage while in camp.

The auto service will be better this year than ever. Those desiring to come from Maysville will find autos leaving the Chamber of Commerce at 10 a. m. and 3:30 p. m. daily. We are all now looking forward to the visit of Bishop Anderson with us Sunday. He will preach both morning and evening. Come and hear him.

Quite a number have joined the United States Army here during the past few days under Recruiting Officer Austin.
